

C O N T E N T S

N. Avramiuc, C.M. Brebeuță, S. Bălan Technical Aspects of Spatial Data Preparation within the Marine Administration System as Support for the Sustainable Development of the Blue Economy	7
M.D. Ban, D. Răboj Estimating the Market Value of the Land and Separately, the Building, of a Real Estate Property Designated for Office Space	21
D. Botnaru, V. Muntean, A. Vlasenco, L. Nistor-Lopatenco, G.C. Vlad Comparative Analysis of Geodetic Surveys for Volume Determination	29
C.M. Cîmpean, M.D. Isac, D.L. Manea The Need To Create a 3D Cadastre.....	39
G.I. Dorobanțu, A.C. Badea Web GIS and Cloud Computing for Defense Decision Making	45
L.M. Ionescu, A.Ș. Ilie, M. Plopeanu Mathematical Model for Processing Two-Dimensional Geodetic Networks Using Classical and Satellite Technologies	55
V. Iordache, C. Cristea The Temporal Evolution, Dynamics and Current Status of Pharmacies in Sibiu County Using Free GIS Resources	63
I.T. Marin (Hadăr), M.E. Koncsag Topo-Cadastral Works Carried Out for the Performance of the Systematic Cadastral in the Cadastral Sector No. 2 from the Location of Marpod, Sibiu County.....	69
A.A. Meșteru, A.Ș. Ilie, C. Cristea Monitoring Constructions Behavior Using Spatial Geodetic Technologies.....	77
R.A. Moazeni, A.Ș. Ilie, M. Plopeanu Study on the Influence of Reference Data on the Processing of Geodetic Monitoring Networks	85
M. Ovdii, L. Nistor-Lopatenco, E. Zubco Digital Transformation and Innovation in The Republic of Moldova.....	93
A. Sărăcin A Navigation Retrospective	105
A. Sărăcin The Current Trends in Navigation	113
A.I. Stoica, A.Ș. Ilie, E.A. Alexandrescu Producing Digital Photogrammetric Products from Data Acquired Using Kinematic GNSS Methods.....	121
E. Tigănu, V. Grama, A. Vlasenco, L. Nistor-Lopatenco The Study of the Degree of Silt Sedimentation in the Public Reservoirs of the Republic of Moldova.....	129
E. Țiganu, D. Țiganu, A. Vlasenco, L. Nistor-Lopatenco The Application of Terrestrial Laser Scanning to Monitoring the Cricova Underground Mine in the Republic of Moldova	139
A. Toaca, D. Vasilca Analysis of Several Map Georeferencing Methods	149
D. Vasilca The Influence of the Projection Plane Altitude on the Distortions in Oblique Double Conical Map Projections.....	157
